### From the President

Welcome to the fifth Edition of the Nickeltown Flounders Inc Auto Club Newsletter

We hope you all had a fantastic Christmas and the New Year is treating you well.

We celebrated with our Christmas party early December and it was good to catch up with so many of you. We hope you all had as much fun as we did. Huge Thank you's go to Lightning Nickel for their donation of the stockings for the kiddies. Onya Guys!

To kick off the New Year the Flounders are going to head on out to the Broady. Be sure to join us on Sunday 3rd Feb, sure to be a good time, we are looking forward to getting out and seeing all your rides take the road.

### News

#### Next Committee Meeting

The next Flounders meeting is scheduled for this Friday evening at 6.30pm in the Kambalda Library. All members are welcome. We would like to hold meetings in Kalgoorlie every third month if a suitable venue can be found. If you know of some place let us know so we can check it out

#### The Flounders are now officially incorporated!

Discussions on becoming affiliated with a mother club will begin soon. If you are interested in being a part of these discussions contact the committee or come to our next meeting. All members are welcome.

#### It has been voted to hold the annual Nickeltown Car Bike & Ute Show bi-Annually

Talk will be going as to whether the show will remain an October event or the date will change. Sponsorship efforts and Grant applications will begin soon. If you would like to help out let us know, we'd love to have you on board.

#### Volunteer with Us!

Volunteers are the backbone of our Club and without them many of our activities would not be possible. Volunteering can be rewarding and fulfilling. If you would like to be involved contact us and register your interest.

## Members Ride

**MEMBER NAME:** Chelsea Butler and Clarisse.  
**VEHICLE MAKE AND MODEL:** 1961 EK Special  
**COLOUR :** White  
**PLACE PURCHASED :** West Hoxton NSW

**WHAT DREW YOU THAT VEHICLE:** I've always liked the older Holdens, but if I had to say the clincher, it would be the Batwings in the EK model. They are very sexy. It had all original interior and grey motor. The owner was the second owner, had it for many years and only put 8000 miles on it in that time. It seemed like a genuinely good deal and she was treated lovingly for many years.

**HOW LONG DID YOU TAKE TO GET IT:** Around a month to travel

**WAS IT WORTH THE WAIT :** Truly. Clarisse is full of character, classy and beautiful and is loved by the whole family.

**WILL YOU KEEP IT FOREVER :** Perhaps for a few decades. I have been known to be a bit of a hoarder.

**IS IT YOUR DREAM VEHICLE:** Pretty close to my dream vehicle. I would love an old 57 Chev one day, but very content with Clarisse for now. Maybe when we win lotto.

**ANY MODIFICATIONS:** Haruha Horn... Fluffy Dice... That's about it

**DO YOU PLAN TO MODIFY YOUR VEHICLE:** I would like to keep it in original nick, but maybe change the paint colour down the track.

**IF I HAD ALL THE MONEY IN THE WORLD:** When we win lotto, I would like to obviously get rid of the little bits of rust and re-chrome some pieces. Generally treat her well and keep her in great condition. Build a bigger shed to fit her and all the other toys in - I'm guessing we all have that problem.

**SPECIAL MENTIONS:** Thanks to Greg Thornton for all the advice, research and negotiations done with the previous owner (and buffing up my chrome), and to Stef Karafilis from Stef's Mechanical for the time and effort put into the Ol' Girl to make her drive and stop well (and all the spare parts too).

### A Male Fairy Tale

Once upon a time, a Prince asked a beautiful Princess, "Will you marry me?"

The Princess said, "No!!!" And the Prince lived happily ever after and rode motorcycles and dated skinny long-legged full-breasted women and hunted and fished and raced cars and went to naked bars and dated ladies half his age and drank whiskey, beer and Bundy Rum and never heard bitching and never paid child support or alimony and banged cheerleaders and kept his house and guns and ate spam and potato chips and beans and blew enormous farts and never got cheated on while he was at work and all his friends and family thought he was cool as hell and he had tons of money in the bank and left the toilet seat up.

The End
