

## REV 'N' BLOW ENTRY FORM

Here's your chance to prove yourself as a true dedicated Holden / Ford fan. Find an old engine, can be Four, Six, or Eight cylinder and enter it in our Rev 'n' Blow competition. Cost of entry \$20.00

### RULES AND CONDITIONS APPLY AS BELOW

Your engine will need to be fixed down inside a trailer ready to start. Judges will contact you after your application is received to arrange an agreed day and time for inspection prior to the application close date. The judges will also inspect and start the engine on the day prior to commencement of the event. Event organisers will supply a cage to drop over the top of the engine whilst it is in the trailer to prevent any flying debris injuring spectators and organisers from the engine blowing up. Event organisers will also supply a fuel cell with fuel, fuel pump, fuel line and a battery along with a very basic hot wire starter button and wiring.

### ENGINE IS TO BE AS FOLLOWS TO COMPLY WITH EVENT INSURANCE REQUIREMENTS

1. No ancillaries to be bolted on engine i.e. Fan, Alternator etc
2. No water is allowed to be in the block. ( remove water core plugs )
3. Engines must be ready to start at full noise ( throttle locked in full noise position)
4. Rod bolts are not to be tampered with
5. Any fluids such as oils/transmission fluids may be used in the sump
6. No fuel mix such as nitrous or nitro methane may be used
7. For safety reasons, no additional fly wheels or extra weights are to be fitted and bell housings **must** be bolted using all bolts
8. Exhaust manifolds/headers to be fitted
9. No Turbo's, Rotary's, Supercharger's or diesel's permitted
10. Engine is to run at full revs until it stops by mechanical, electrical or any other failure
11. Judging is made on the spectacle provided, for example, how long the engine runs, how hard it revs, how many recoveries it makes and visual appeal
